

FIBRE INTERNET / ROUTER INSTALLATIONS

Multi Automation have a referral program for HOAs where the HOA can earn R100 per successful sign-up for Vox Fibre referrals

Please see the free installation voucher attached, this has the **Cape Sands** logo on it

All a customer has to follow the following three steps:

1. Go to www.voxfibre.co.za and search for their address and sign-up for fibre
2. After signing up, send an email to ftth@vibre.co.za with their Vox account number and Vox quote number
3. The customer must attach the free installation voucher (attached to this mail) to ensure they get the installation free (the free installation/activation voucher is valid 30/04/2019)

We will then know that this referral came from Cape Sands and we ask the HOA to invoice us R100 per successful sign-up

24 VOLT BACKUP BATTERY SOLUTIONS

If a customer wants a UPS or inverter and battery backup solution for their home, they can send an email to sales@vibre.co.za and we will get a representative to contact them regarding their requirement and pricing
